

# Wood Rack Assembly Instructions

1, Locate and identify all parts.

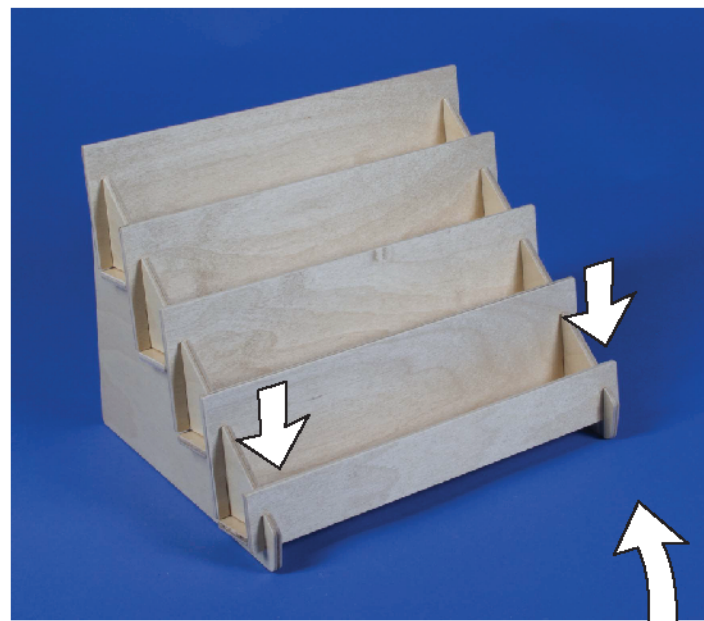

2, Slide a **shelf bottom panel** into the top horizontal slot through the side panels as shown with cut-outs facing back.

3, Insert the top **shelf back panel** into the vertical slots pressing it all the way down.

4, Insert the next **shelf panel** into the horizontal slot pressing it down snugly. Continue installing the **shelves and back panels** - working from top to bottom.

5, Insert the **front panel** into the bottom slot. Press all panels snugly home to complete the unit.
